

Crap, I fell asleep in
class again...
Ms.Durkin is
gonna be furious

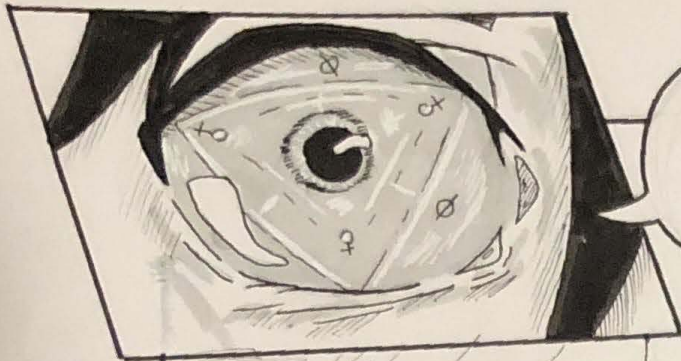

Yeah that
definitely tracks...

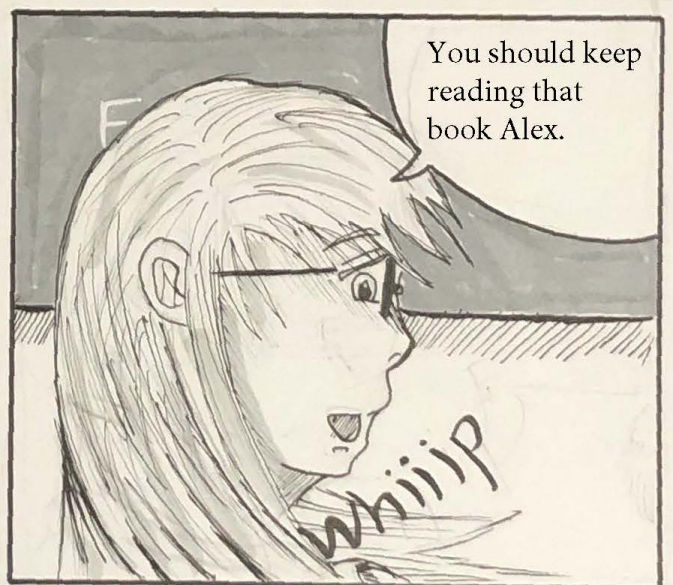

Well.... I do feel like I've learned a lot about anger.

Like what?

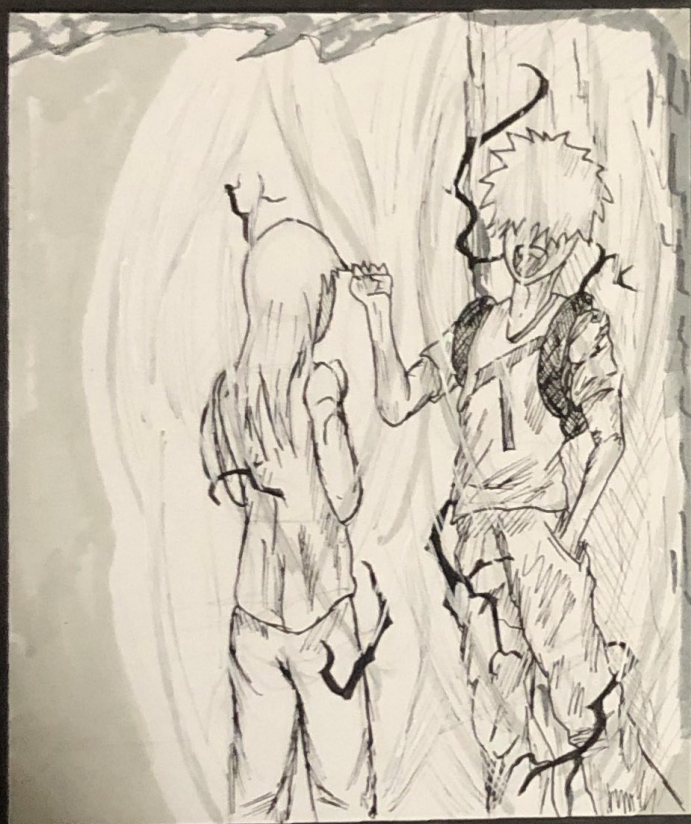

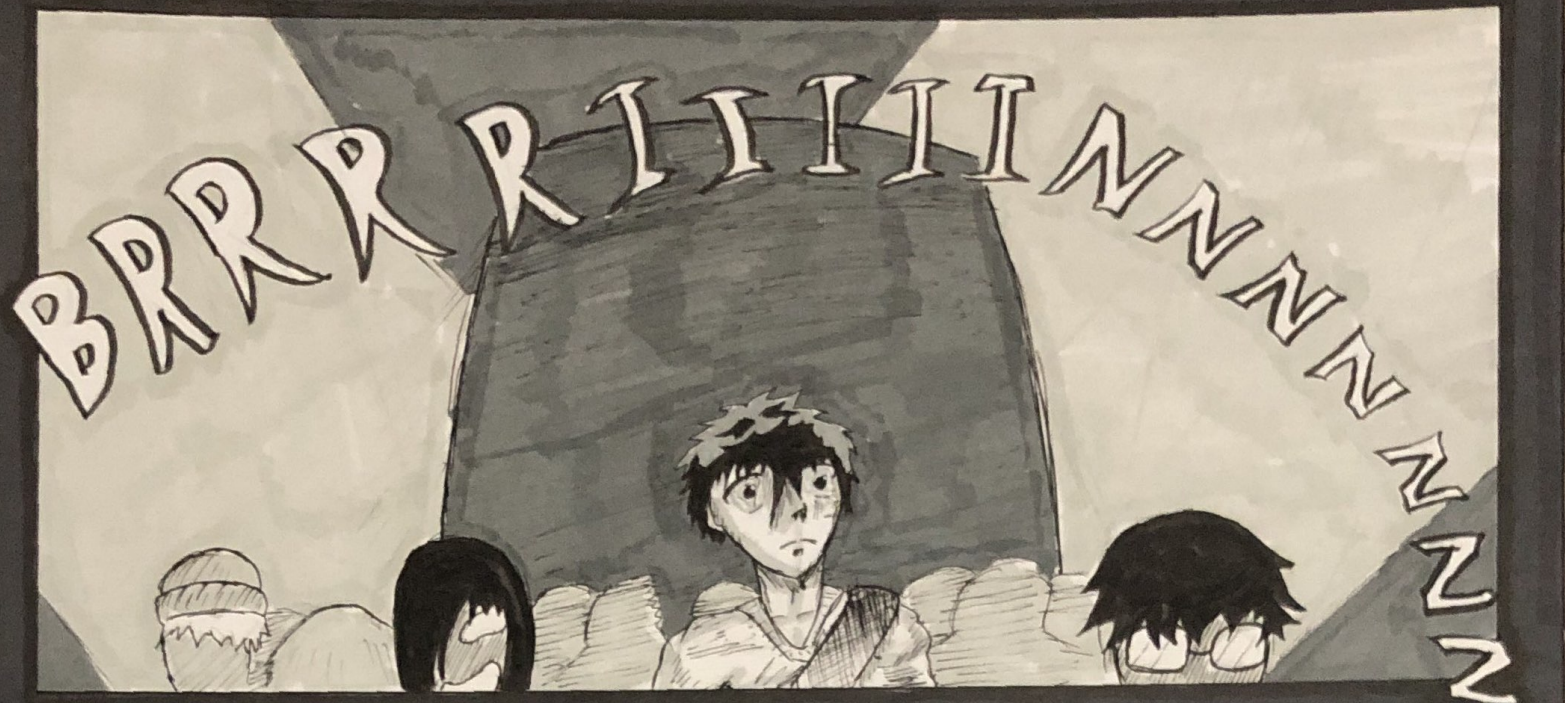

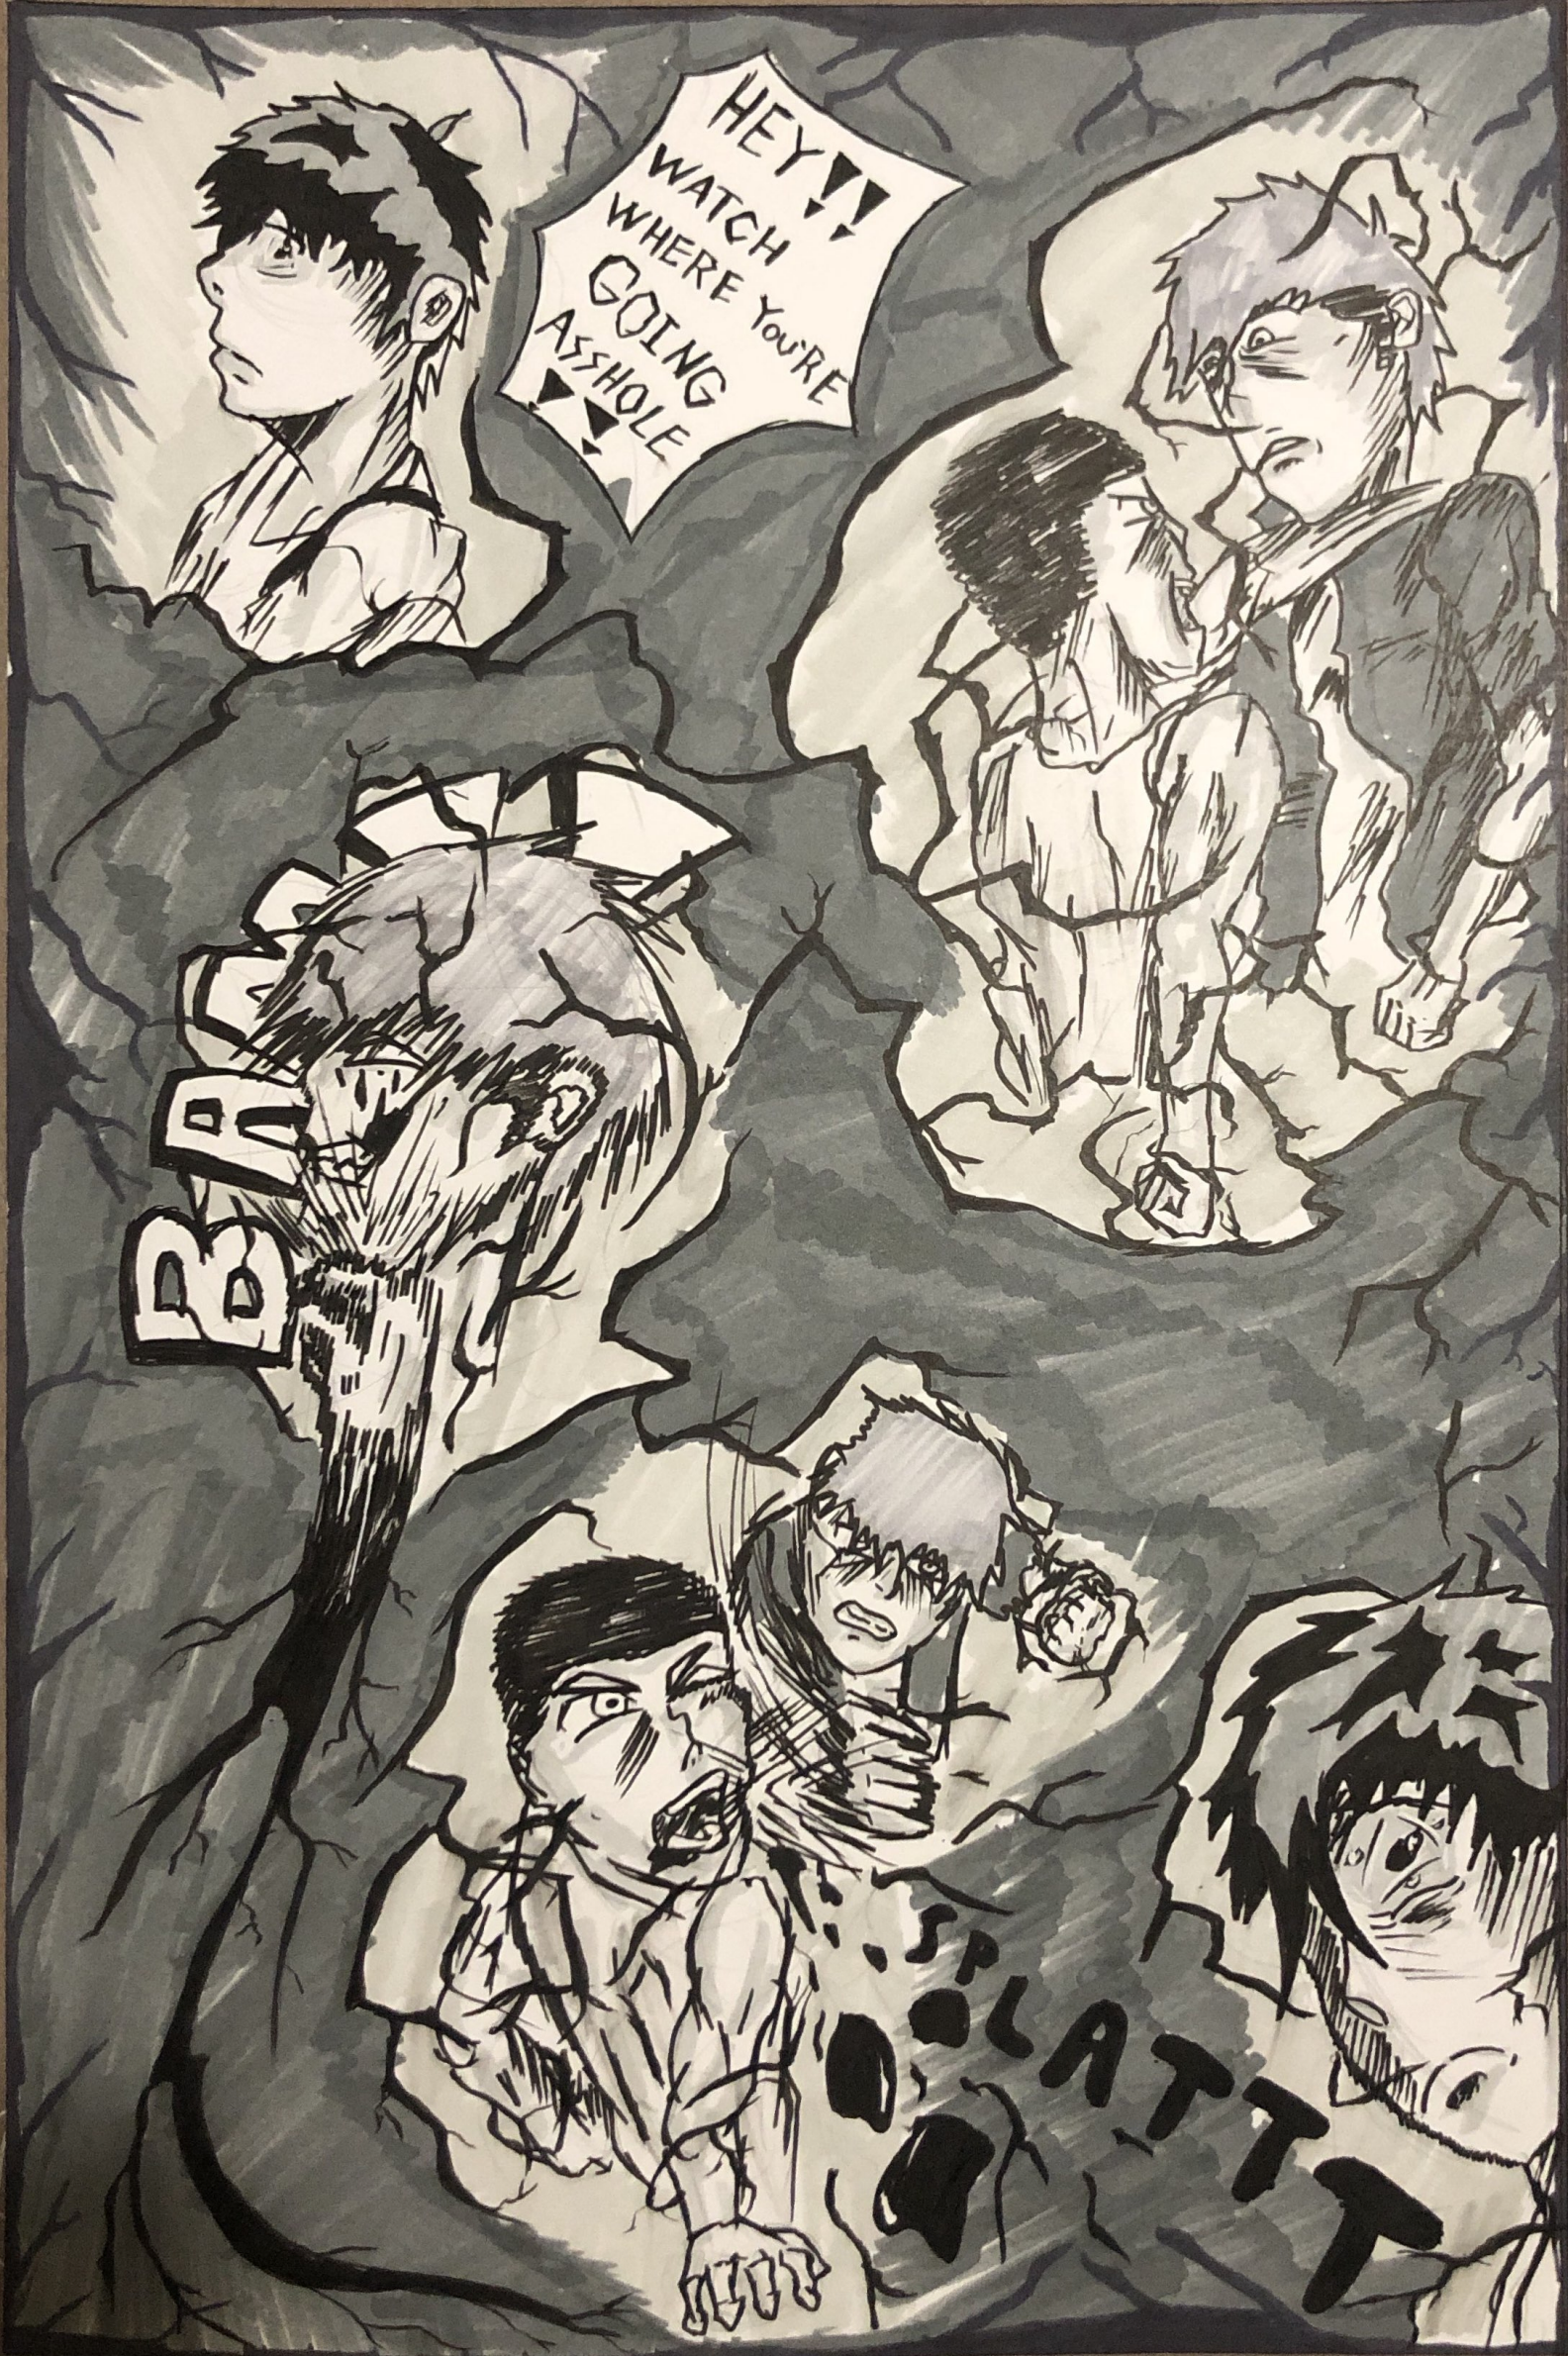

I guess saying it out loud makes me realize the main thing I learned was that I actually have a lot more to learn... which means I cant afford to be falling asleep in class like this.. haha...

You should keep reading that book Alex.

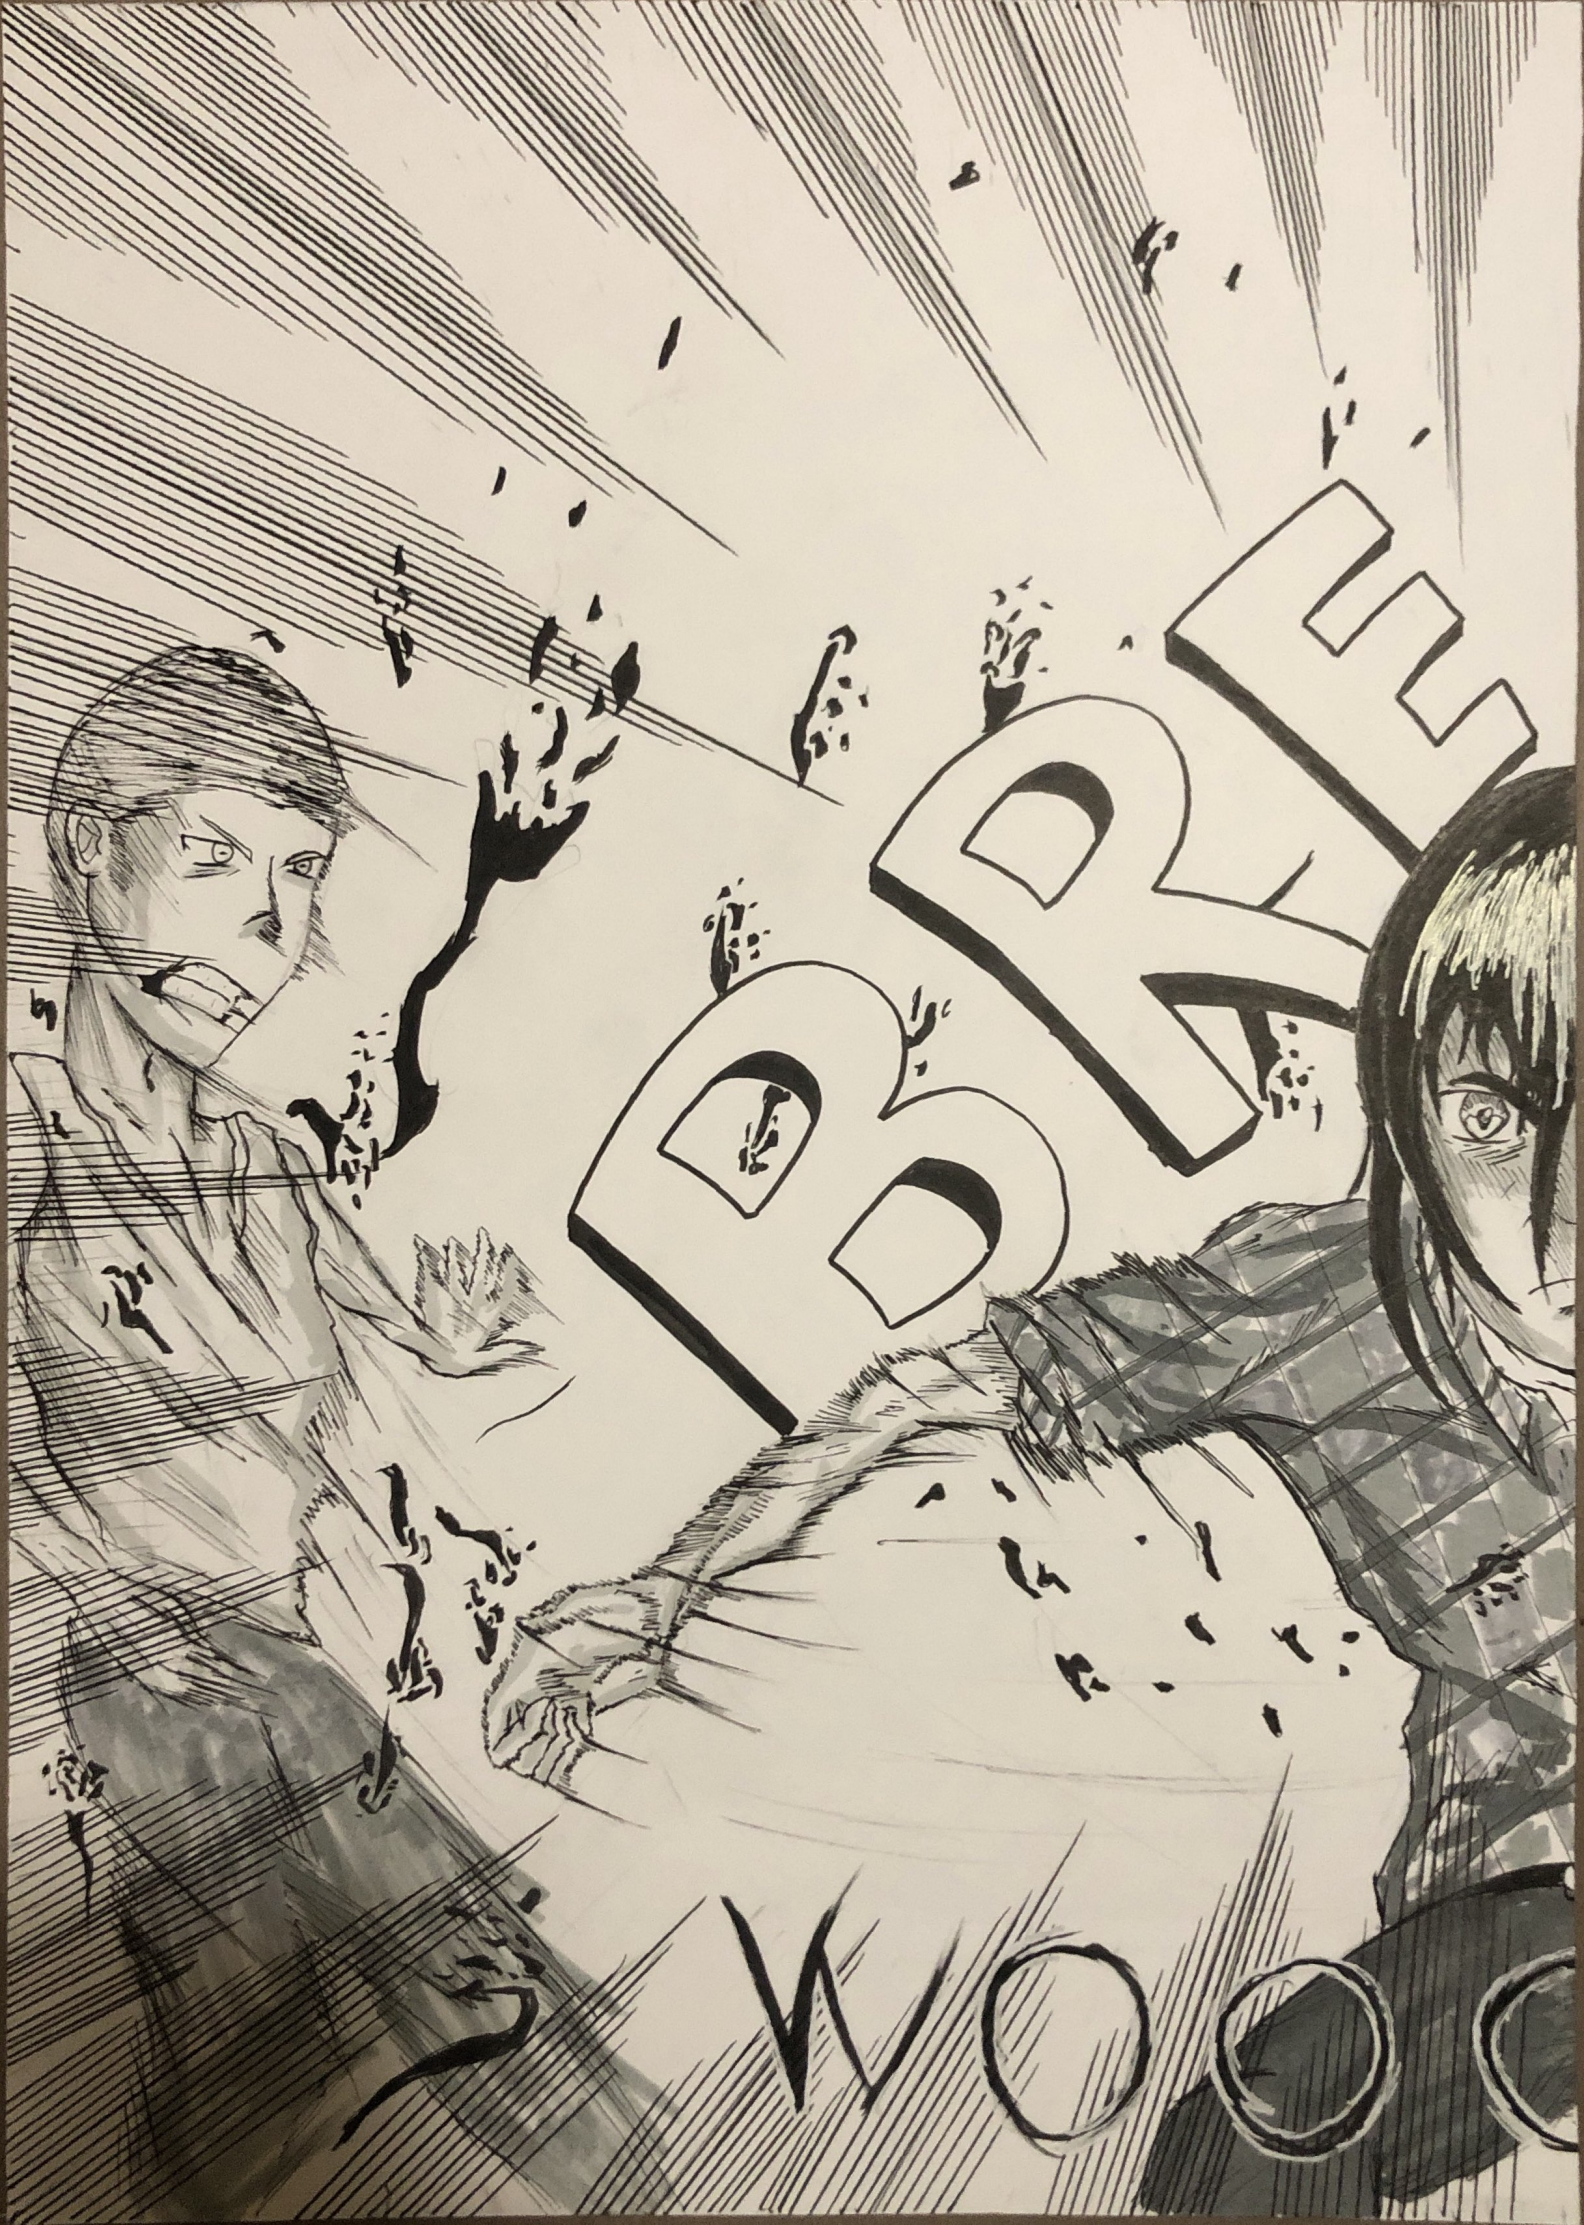

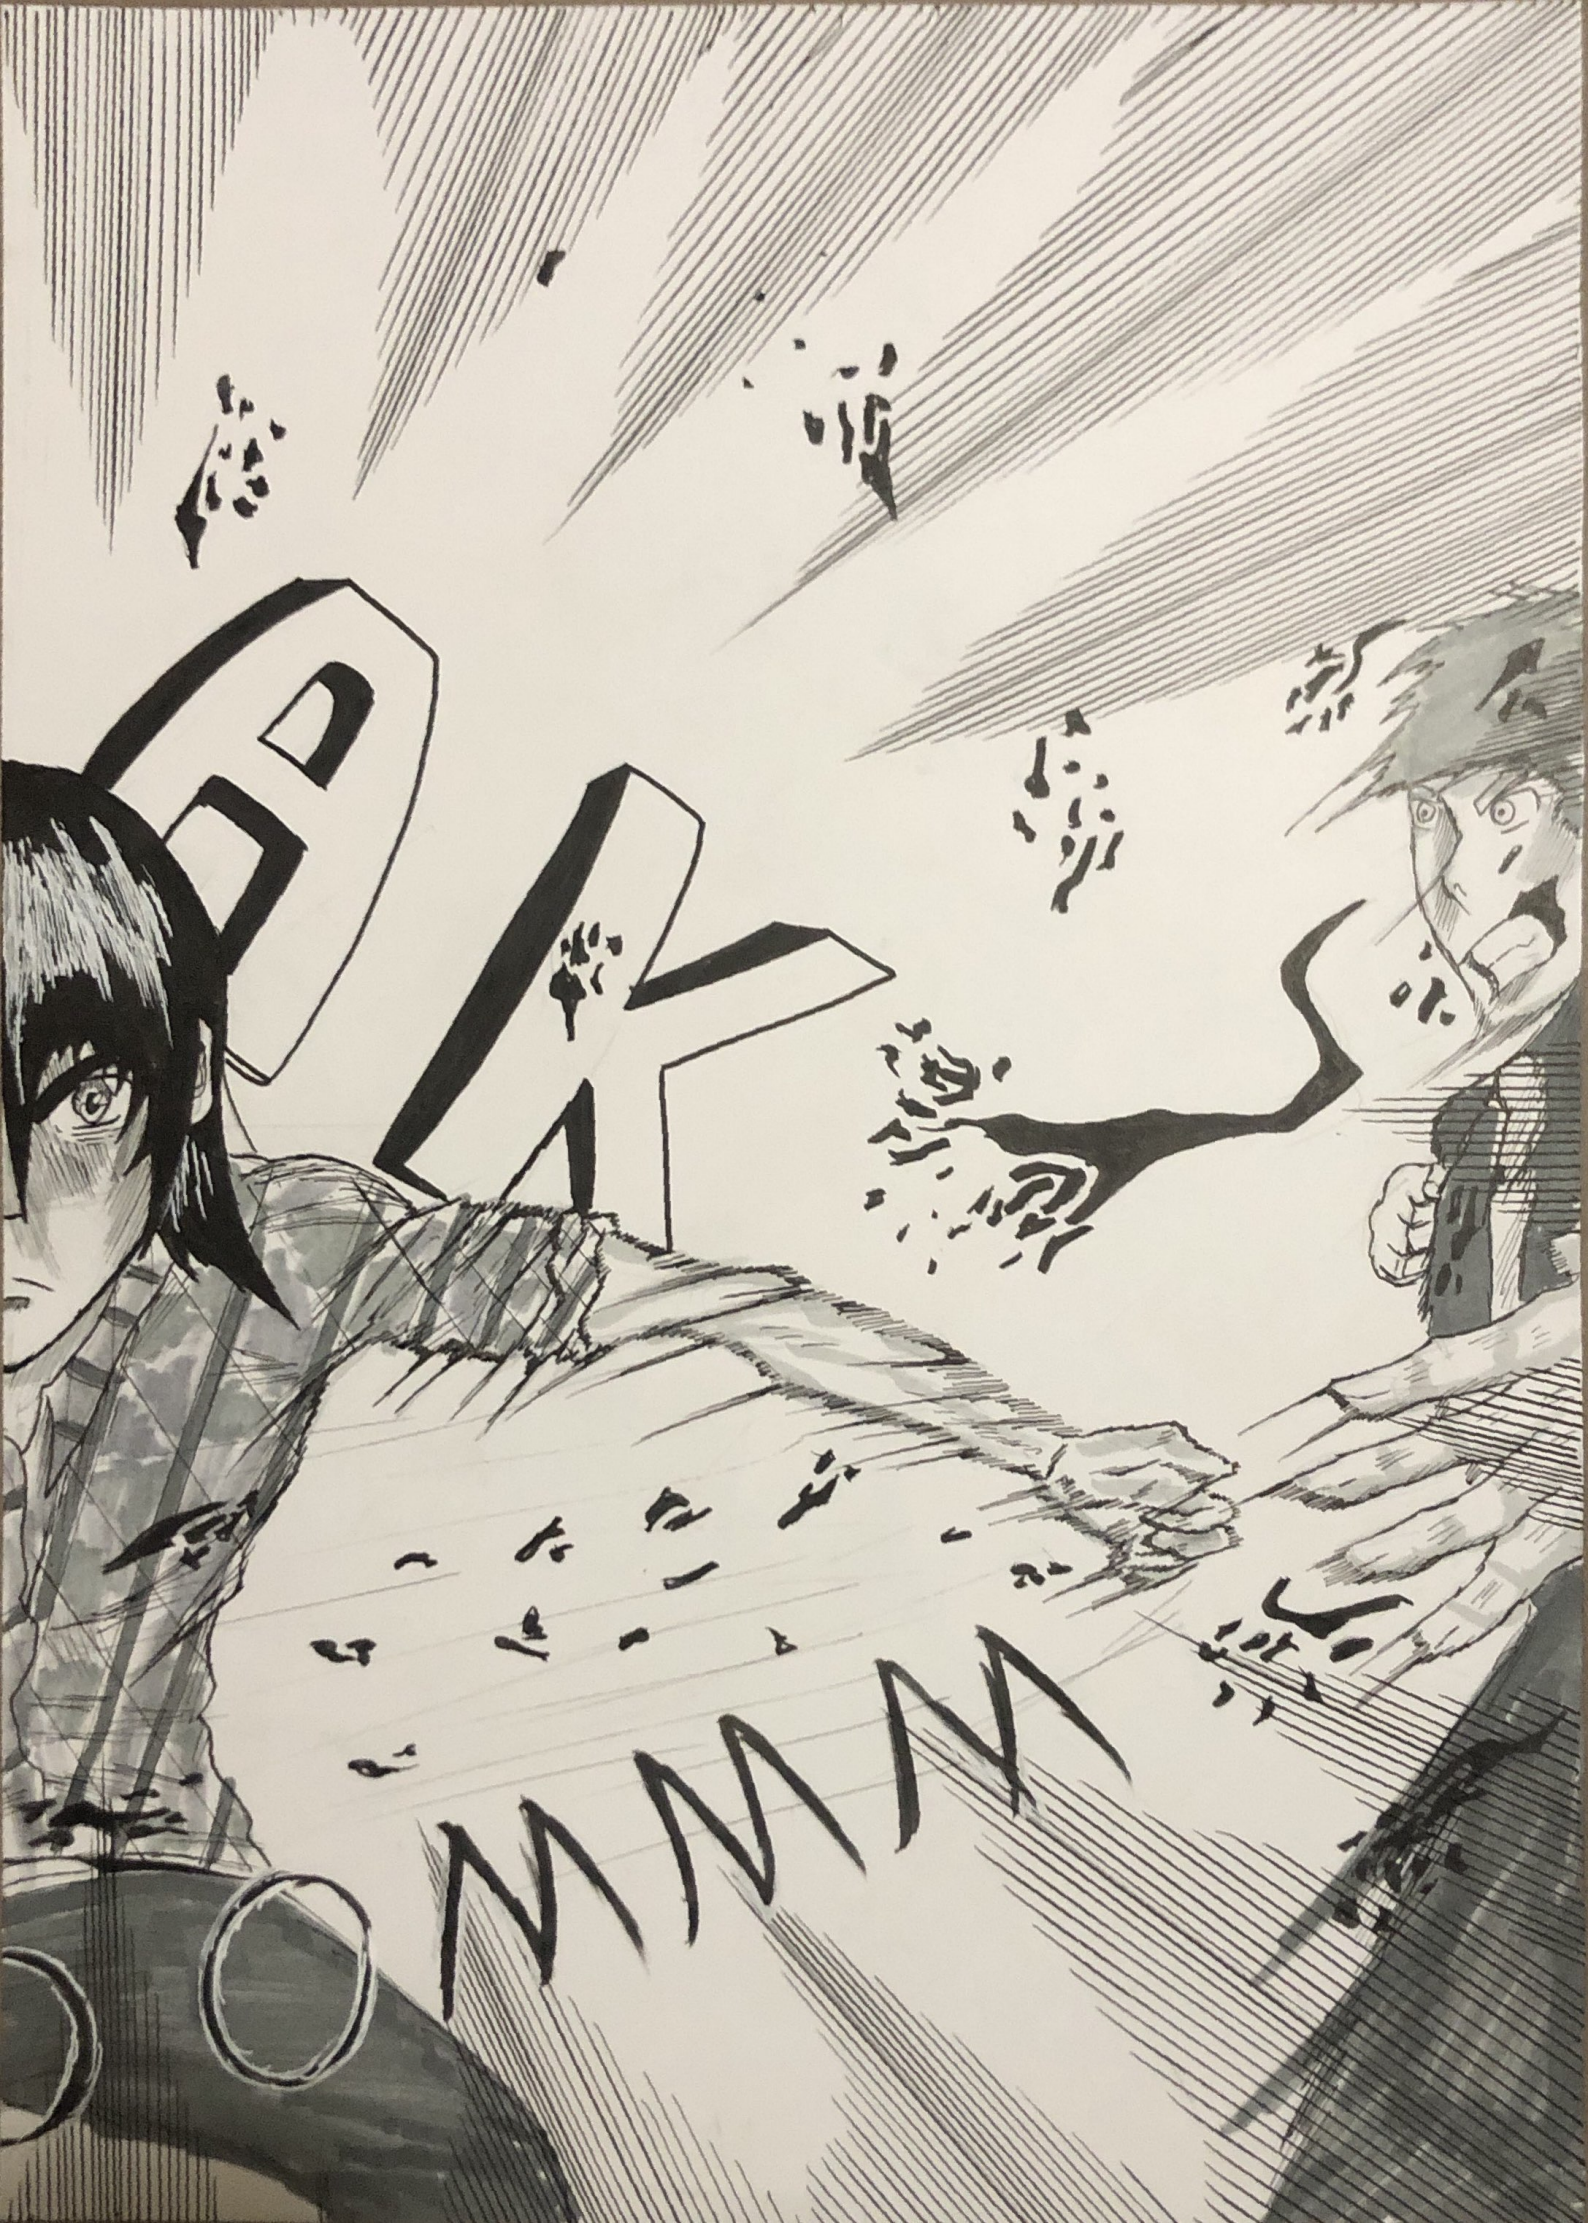

HEY!!
WATCH
WHERE YOU'RE
GOING
ASSHOLE

BOOM

SLATT

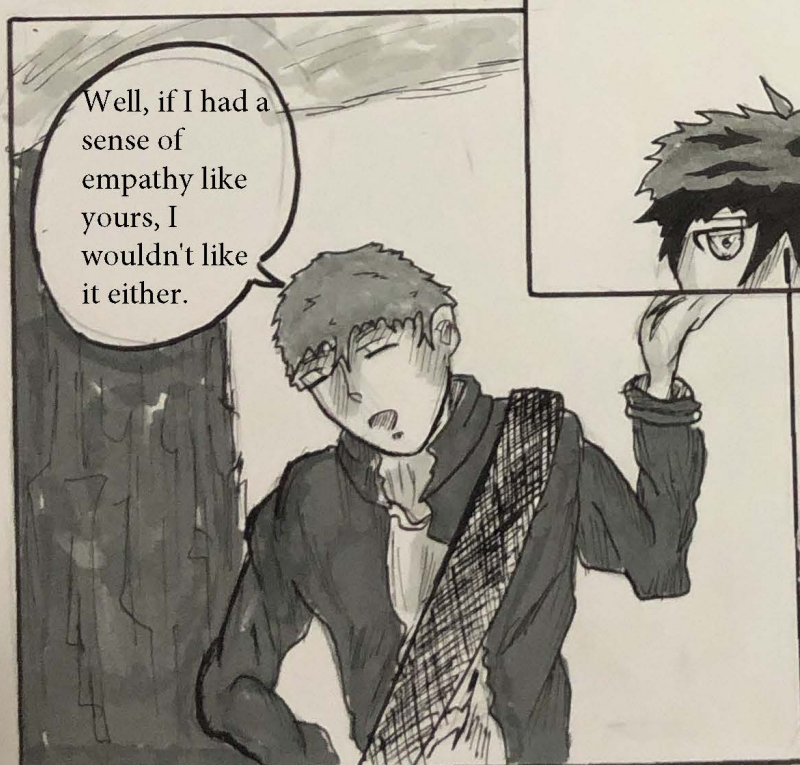

Alex...

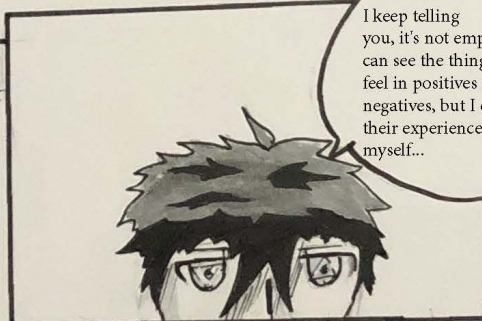

You alright?

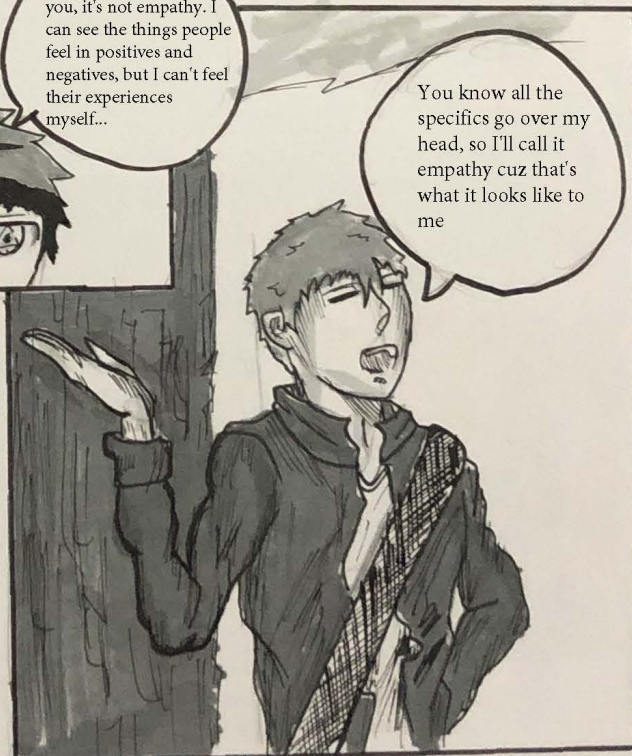

Yeah, I just don't like violence.

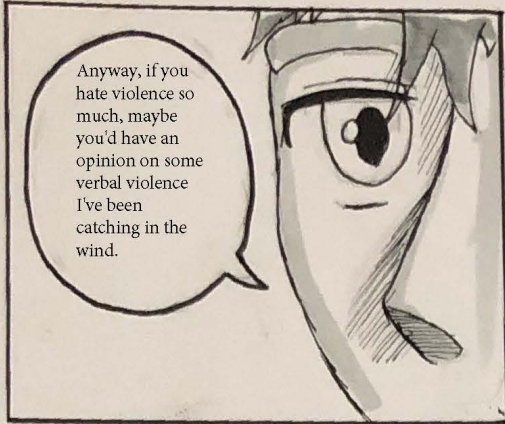

Well, if I had a sense of empathy like yours, I wouldn't like it either.

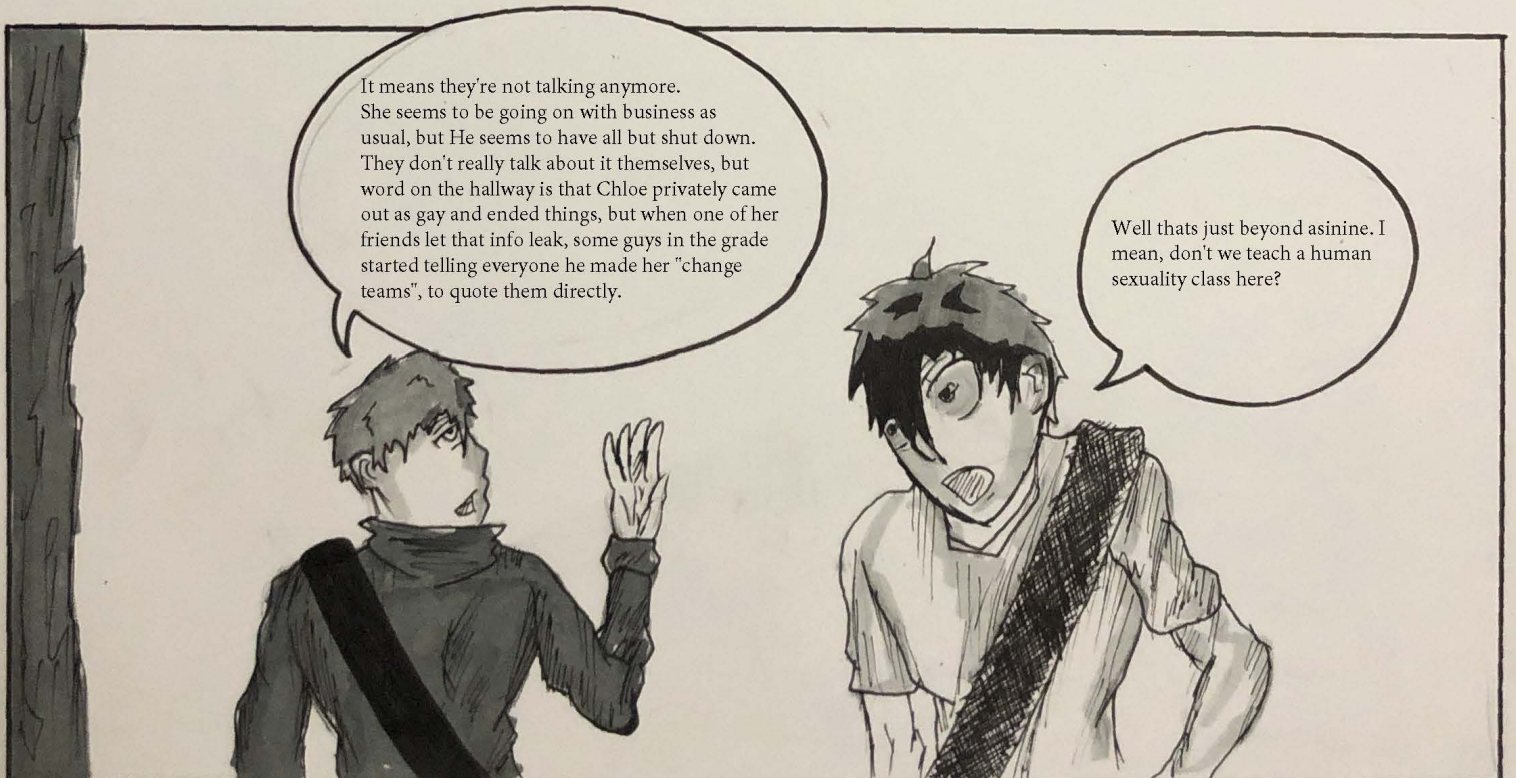

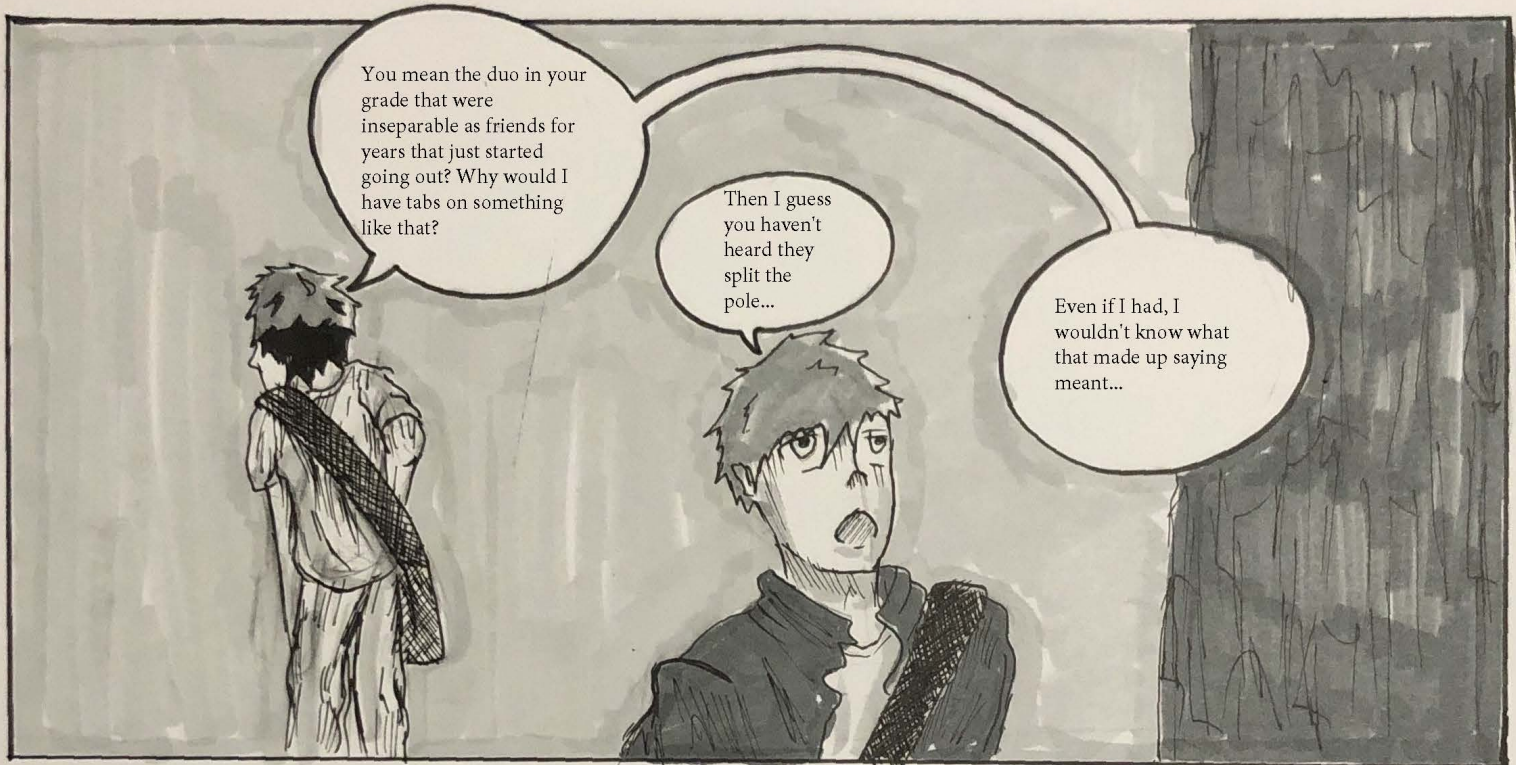

I keep telling you, it's not empathy. I can see the things people feel in positives and negatives, but I can't feel their experiences myself...

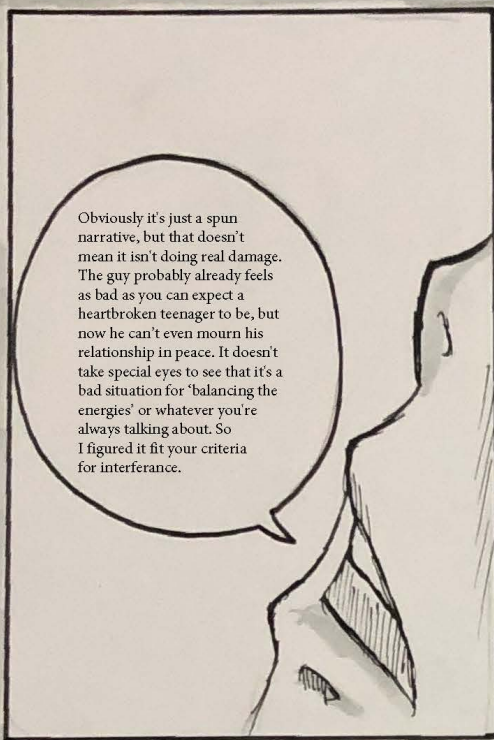

You know all the specifics go over my head, so I'll call it empathy cuz that's what it looks like to me

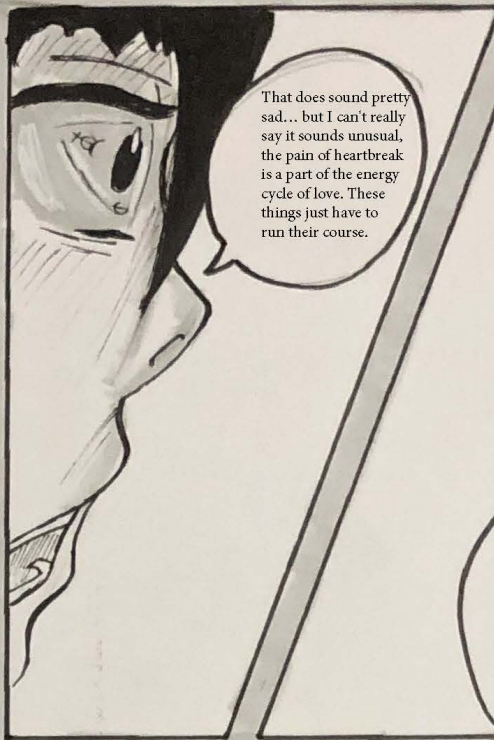

He talks like that and somehow I go over HIS head...

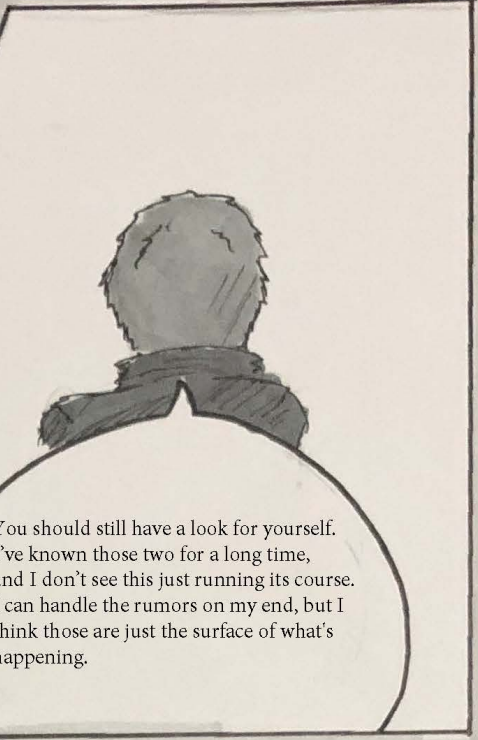

Obviously it's just a spun narrative, but that doesn't mean it isn't doing real damage. The guy probably already feels as bad as you can expect a heartbroken teenager to be, but now he can't even mourn his relationship in peace. It doesn't take special eyes to see that it's a bad situation for 'balancing the energies' or whatever you're always talking about. So I figured it fit your criteria for interference.

That does sound pretty sad... but I can't really say it sounds unusual, the pain of heartbreak is a part of the energy cycle of love. These things just have to run their course.

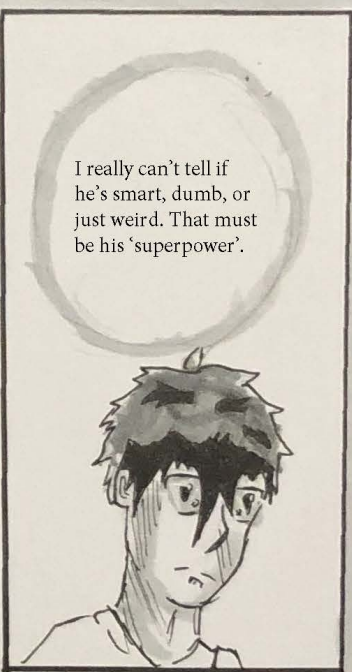

You should still have a look for yourself. I've known those two for a long time, and I don't see this just running its course. I can handle the rumors on my end, but I think those are just the surface of what's happening.

Alright, I'll look into it, but I can't promise to do more than take a look, Adrian!

As long as you're following your truth little brother!

I really can't tell if he's smart, dumb, or just weird. That must be his 'superpower'.

I should probably also have a look at the guy who stopped that fight if I see him around again...

It's strange, for a second there, I could've sworn that guy had no soul.

To Be Continued...
